**Class update: Bluebird Class**

In Bluebird class, we have been learning about Diwali- the festival of light. We read a short story and talked about how people may celebrate using fireworks, candles, and bright colours. In creativity, we used our fine motor skills to create some traditional Rangoli patterns and made some diva lamp pictures.

### Mission Statement

### PARENT CHAMPIONS

We all know how daunting it can be when your child begins their journey at Booker Park School. While staff are always here to support you and tell you about your child's learning, there are some things that we can not always reassure as well as someone who has been through the same as you .

We are looking for volunteers who would like to become one of Booker Park's Parent Champions. This would involve attending Perspective Parent Meetings where you could share your experience with the parents when your child started at the school, attending coffee mornings and awareness sessions, and share your knowledge with others.

In return, this would build the volunteers' confidence and transferable skills, create a pathway to training and employment and also provide opportunities for volunteers to give back to their communities

If this is something that would interest you, please contact the Family Support Officer Kerry Nicholson on 01296 427221 or email on [knicholson@thevalefederation.com](mailto:knicholson@thevalefederation.com)
