SCHOOL NEWS

CLASS UPDATE

During our movement session in Woodpecker class, after doing a dance with pom poms to work on our gross motor skills, the children explored small animals in Jelly to work on their fine motor skills. The children used plastic forks and their hands to explore the jelly and remove the sea creatures. One child particularly enjoyed 'washing' their toy's hair with the Jelly.

MESSAGE FROM HEAD OF SCHOOL

Next week there is a "Meet the Teacher" session on Wednesday 10th July between 3:30pm and 4:30pm. This is an informal opportunity for you to see which classroom your child will be in, in September and say hello to their teacher. There are no appointments for this, you can drop in at any point during the hour. We know that moving to a new class can be a tricky time for the children. We will support this with visuals, and with opportunities to visit the class over the remainder of this term. We are not yet at the point of knowing who the rest of the staff team in each class will be. Teachers have been meeting with each other to discuss children who are moving to a new class to make sure the receiving teacher will have good knowledge of each individual. Although it can be a daunting time, hopefully there will be lots of positive opportunities too.

Blackbird, Kingfisher, Owl
1:30pm - Group 2
Swift, Red Kite, Jackdaw,
Penguin

Tuesday 23rd July
Last Day of Term

USEFUL INFORMATION:

SUMMER WATER SAFETY

Accidents are mostly preventable with the correct knowledge and judgement. Here are top tips from Bucks School Swimming, for staying safe in water this summer.

ALWAYS FOLLOW THE WATER SAFETY CODE

ROYAL LIFE SAVING SOCIETY UK

Whenever you are around water:

- STOP AND THINK**
Take time to assess your surroundings. Look for the dangers and always research local signs and advice.
- STAY TOGETHER**
When around water always go with friends or family. Swim at a lifeguarded venue.

In an emergency:

- CALL 999**
Ask for the Fire and Rescue Service when inland and the Coastguard if at the coast. Don't enter the water to rescue.
- FLOAT**
Fall in or become tired - stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

Enjoy Water Safely
