CLASS UPDATE

Raven & Wren Class

Before the holidays, Raven and Wren classes joined together to explore the contents of sensory trays and make choices about what to include in their fillable balls/baubles. The children used their hands to touch and explore a range of different sensory resources including colourful feathers, scented potpourri, sparkly tinsel and dried pasta. The children demonstrated interest in the visual and/or auditory properties of their finished balls/baubles.

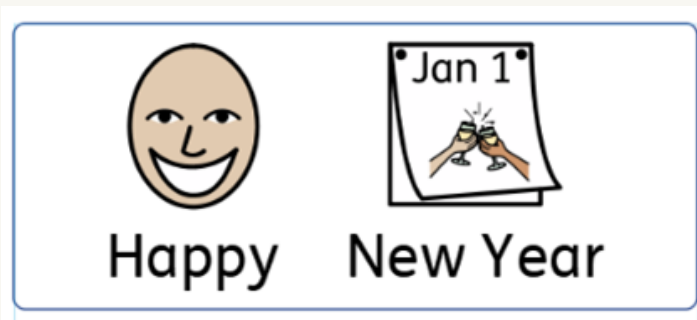

MESSAGE FROM HEAD OF SCHOOL

Happy New Year to everyone.

Unfortunately I've not been able to be in school myself this week as I have fractured my foot. I have missed seeing the children returning after the break, but I know that staff have been very pleased to have the children back and are looking forward to working with them this term. The topic for this term is "Once Upon A Story" for pupils in Year 1 upwards, and "Music" for Early Years. Both topics will give lots of exciting opportunities for learning. The topic is the vehicle in which the children learn through, not what the learning is necessarily about. Even though I am not physically in the building, I am still contactable by email, phone and can meet via Teams.

RSE TOP TIPS

Relationships & Sex Education

Self - Care

Encourage your child to participate in self-care. Use a self-care pack to have a morning/evening routine that becomes predictable and accessible. Do things in the same order, using songs to motivate if this is something that works for your child! Do it in front of a mirror (fixed or movable) and model the actions to encourage participation e.g. brush teeth together, brush hair together, use flannel to wash each other's faces.
