

Dear Parent/Guardian,

Message from the Head of School:

Next week the whole school is having a French Day on Thursday 23rd May. This is an opportunity for all the children to experience and learn about aspects of French culture which may include music, food, and art as well as sport. We have chosen France due to the Olympics being held in Paris this summer. We are looking forward to this opportunity and we're sure it will be a fun day.

Your child is very welcome to wear red, white and blue to celebrate French Day. If your child would prefer to wear their school uniform that is absolutely fine too. Fortunately, our uniform is blue!

Have a good weekend.

Marianne

First Aid Course Update:

A huge thank you to those parents who have signed up to the Free First Aid Course.

I am so pleased to say this is now fully booked, however as it proved so popular we will be running this again next term.

Thank you to those parents who offered feedback regarding timings, this really helps when liaising with outside providers and in the planning of future events.

potential

Sign of the Week:

Class Update:

In Nightingale class, all the children have planted sunflower seeds and we are watching them grow. We had fun exploring the soil with our hands and filling the pots up. Some of us liked the smell and touch of the soils and some of us didn't!

Vision
A future where every child achieves the greatest level of independence, enabling them to become a valued member of society

Mini Marathon Update:

Well done to everyone for completing 2.6miles for our Mini Marathon!! It has been lovely to see all of the creative ways in which we have been able to adapt this to meet the needs of all the children here at Booker Park school. Thank you so much for all of the sponsorship money which has been sent in so far. Just a reminder if anyone has any outstanding sponsorship money, please send this in by the end of next week so we can calculate how much our amazing children have raised. Thank you!

Mission Statement
