CLASS UPDATE

Owl Class

This term, Owl class has been focusing on the zones of regulation. During Hello Time, we have been singing about happy, sad, angry and silly, as well as modelling different emotions to the children by stomping our feet, making a silly face, and clapping our hands. We have also let the children explore our OT equipment box, and tried items such as weighted blankets and ear defenders to support regulation.

Amy, Class Teacher from Oak Class at Stocklake Park is seeking donations of socks for Rebound; if you have any trampolining style socks with rubber grips on the bottom that are no longer wanted, could they please be sent into school for Amy and the other coaches to use in their sessions. Thank you.

MESSAGE FROM HEAD OF SCHOOL

It has been good to have swimming happening again this week. I know it has been frustrating to not have had this happen for some time. Hopefully this will be uninterrupted now for the foreseeable future. I have been pleased to have made it into work for a couple of days this week. I'm continuing to work from home when I'm not in school. I have missed seeing the children every day and look forward to being back full time.

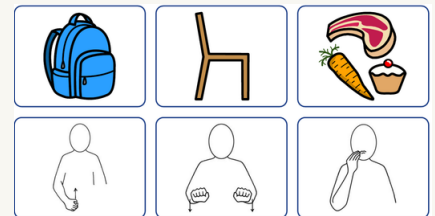

Have a good weekend.

Marianne Murphy
