## MESSAGE FROM HEAD OF SCHOOL

A big thank you to all the parents and carers who came along to Parents' Evening on either Tuesday or Wednesday evening this week. We very much value working together in partnership with you and appreciate the opportunity to share your child's achievements, discuss their development and celebrate the progress that they are making, as well as looking forward to targets over the next term. If you weren't able to make it to Parents' Evening, please do contact your child's teacher to arrange a meeting at a time that is convenient to you both. Sports day events are coming up over the next two weeks for most classes. Robin, Wren, Nightingale and Raven classes have already had their Sports Day! For everyone else the dates are:

### Monday 16<sup>th</sup> June

**9:45am-10:10am: Heron, Jay and Skylark**

**10:20am-10:45am: Parrot, Puffin, and Owl**

**10:55am-11:20am: Bluebird, Hummingbird, and Firecrest**

**11:00am-11:30am: Sparrow**

### Thursday 26<sup>th</sup> June

**2.00pm-2:45pm: Swift, Swan, Blackbird and half of Magpie**

Please come to reception five minutes before the start time so that you can sign in and we can get you to the right place! Our Family Support Worker is making sure that our list of families who are seeking a carer for out of school hours is up to date. This could be through direct payments or private care work. Whilst we are not able to arrange carers, sometimes our staff members are happy to take on additional care work and we can support with advertising within school and potentially matching up staff with families. If you are seeking a carer and need support with this, please do email our Family Support Worker Chantelle King on [cking1@thevalefederation.com](mailto:cking1@thevalefederation.com)

Best Wishes

## PLEASE TURN YOUR ENGINE OFF

Keeping your engine running whilst parked and waiting contributes to poor air quality, affecting the health of those around you.

Please can turn your engine off at pick-up and drop-off times. This is to create a cleaner and safer environment for children. We'll be communicating this message to the Local Authority SEN Transport Team so that this can be shared with the transport providers.
