MASKS – PARENTS HOW CAN YOU HELP...

How can I make my special kid smile ...?

We always need help and are grateful however big or small. Here are some of the ways you could help MASKS:

- Helping with preparation for the organised events like the Winter Fayre – folding up raffle tickets, sorting out books and donations for an event whilst your child is at school. You could volunteer to run a stall too or make cakes to sell at the ever-popular cake stalls or café
- You can organise your own event for MASKS such as a sponsored event. We have had many friends of MASKS challenge themselves in sponsored events to support the charity.

Getting involved with MASKS is a great way to meet other parents and form new friendships. Holding regular coffee and cake mornings are a way of sharing information and offering each other support, whilst planning the next fundraising goal. We would like to hold more get togethers and in order to do that we need to know from you when is a good time or whether you would like something different to this. You can also donate on our just giving page [here](#).

Please see attached letter with details on how to join our wonderful team of volunteers.

MESSAGE FROM HEAD OF SCHOOL

This week Teachers and Therapists have been meeting to discuss children's TPPs (Termly Planning and Provision documents). They have reviewed progress and planned new outcomes for the summer term. The TPPs break down the long term outcomes on the EHCPs into termly targets. We value your input into these, and you will have had the opportunity to discuss this at Parents' Evening. Do let the Teacher know if there are particular areas you want to make sure are included. Thank you for your support for Comic Relief. It has been great to see everyone joining in, whether that be by wearing red or by participating in red activities in class, or by making us smile with a joke!

Have a good weekend
